

# ACP Agreement

The undersigned hereafter "I" do hereby agree with the following items regarding the Affordable Connectivity Program "ACP".

The ACP will give a credit of **up to** \$30.00 off qualifying monthly broadband charges to eligible households, the actual amount is subject to program terms.

I hereby understand that the Affordable Connectivity Program is a government program administered by the Universal Service Administrative Company. ("USAC")

I hereby understand that City Light Gas and Water ("CLGW") does not make decisions with regards to a household's eligibility in the ACP, each household must qualify at the following website [www.acpbenefit.org](http://www.acpbenefit.org) . If the household's application is successful, CLGW can then enroll consumers into the ACP.

I hereby understand the ACP is voluntary in nature and I hereby give my consent for CLGW to share my household's information to check eligibility against the USAC database, and if successful enroll my household into the ACP.

I hereby understand If the applicant already has established service before enrollment in the ACP program, CLGW will automatically remove the monthly credit when the ACP program has ceased.

I hereby understand If I am establishing new service with CLGW through the ACP program, the applicant will be subject to CLGW's undiscounted rates and general terms and conditions at the end of the program. CLGW will discontinue broadband services automatically at the conclusion of the ACP program for customers who established a new broadband service with CLGW through the ACP program. If the applicant wishes to continue service at CLGW's undiscounted rates, they hereby agree to establish new broadband services with CLGW at the time the ACP program ends.

The applicant hereby understands that their household may obtain broadband service supported by the ACP from any participating provider of their choosing, and that they may transfer their ACP program benefit to another provider at any time.
